

THE NEW MACKERRAS PENDULUM FOR THE 2004 FEDERAL ELECTION

This pendulum was published in *The Australian* newspaper on Monday, 5 January 2004 on page 2 together with two tables and an article by him titled "Nothing for certain in landslide danger zone". What appears below is what Professor Mackerras submitted to the newspaper. If you want their artwork you must get the newspaper in question or write to Professor Mackerras who will send you (by "snail mail") a photocopy of the article and pendulum as published in *The Australian*.
